

[AWANA @ Home!](#)

For those of you who feel more comfortable keeping your child at home but still wish to have them in AWANA clubs we are offering an at home version! To those that choose this option, Ms. Kristi Rowntree will be sending links (weekly) with the opening songs, large group lesson, fun activity and will reach out to you to see/hear you say your verse(s) of the week!

We found an app would help greatly in doing so- if you could download 'Marco Polo' Ms. Kristi will be able to send you encouraging videos as well as be able to see and hear you say the verse you memorized! She will then record that you 'attended' that week, said your verse, and listened to the large group message, etc.

You will receive 'AWANA Bucks' for doing so and be able to shop (online) with your bucks quarterly! For scheduling and attendance purposes we will need to get a head count of how many people will be choosing this option so please just mark accordingly in the online registration link!

Ms. Kristi will reach out before the Awana start date with families that choose this option. Children will receive the same books and materials for AWANA@Home that they would typically receive in person. If choosing this option Please note the date below on the calendar to pick up your child's materials.

We cannot wait to have you back at AWANA (whether in person or online)! God loves you and so do we! Please feel free to reach out to Ms. Kristi or Miss Megan with any and all questions!
